## **JUDGE GARAGOZLO RECOGNIZED BY FLORIDA CONFERENCE OF COUNTY COURT JUDGES**

The Florida Conference of County Court Judges has presented its Distinguished Service Award to Judge Benjamin B. Garagozlo. The award, dated July 7, 2014, is in recognition of outstanding service as the Conference representative to the Florida Supreme Court's Judicial Management Council.

The Judicial Management Council is an advisory committee recreated by the Florida Supreme Court to assist the court with forward-looking vision to better fulfill its mission to protect rights and liberties, uphold and interpret the law, and provide for the peaceful resolution of disputes.

Judge Garagozlo was appointed to the Judicial Management Council by the Chief Justice of the Florida Supreme Court in 2012. As an active member of the committee, he has assisted in identifying trends, potential crisis situations, and the means to address them.
