**4. HEARING REQUIRED FOR INTRODUCING EXHIBITS CONTAINING HIGH POTENCY NARCOTICS:**

In an effort to ensure the health and safety of all persons within each courthouse and to prevent any accidental exposure, this Court has recognized that there is a need to establish a procedure for introducing evidence that contains or may contain high-potency narcotics (“HPN Exhibits”).

- a. HPN Exhibits are those that contain or may contain high-potency narcotics which are highly toxic and may be fatal, including, but not limited to: Fentanyl (Actiq, Fentora, Duragesic, Subsys, Abstral, Lazanda, Ionsys, Onsolis, Duragesic-100, Duragesic-50, Duragesic, Duragesic-75, Sublimaze, Duragesic-25, and Duragesic-12); Carfentanil; Remifentanil; Alfentanil; Sufentanil; and other related high-potency narcotics.
- b. In the event any party intends to introduce evidence that contains or may contain HPN in any court proceeding, the party intending to introduce the evidence must file a notice of its possession of an HPN Exhibit at least five (5) days prior to the pretrial conference in a trial case, and ten (10) days prior to a hearing on a violation of probation.
- c. The court shall conduct a pre-trial hearing to determine if the HPN Exhibits can be introduced by admission, statement of fact, photographs, stipulation and/or certificate of analysis. The court shall not require any party or law enforcement agency to transport or bring the HPN Exhibits to the courthouse for the purpose of the pretrial hearing.
- d. If the parties are unable to reach an agreement or stipulation at the pretrial hearing, the court clerk(s) shall promptly notify a manager in the court clerks’ division of the Clerk’s Office.
- e. In the event that HPN Exhibits are brought into the courthouse for any purpose, including but not limited to trial, HPN Exhibits shall be double bagged, sealed and clearly labeled. Further, HPN Exhibits must be handled, labeled and packaged in accordance with additional policies that may be established by federal or local law enforcement, which may be amended from time to time to ensure the safety of all court participants.
- f. At the pretrial conference, if the parties are unable to stipulate to alternative presentations of the evidence and an HPN Exhibit is to be introduced into evidence, the court shall discuss and decide upon the protective gear that may be worn by trial participants, including but not limited to, attorneys, court deputies, court reporters, court clerks and the court. The court shall also decide whether the jury may handle the HPN Exhibit and what, if any, protections shall be in place for the benefit of the jurors.
- g. The court clerk(s) shall promptly notify an evidence clerk manager in the event that HPN Exhibits are marked as exhibits.

**5. DIGITAL EVIDENCE:** Digital evidence is evidence in an electronic format. Digital evidence is fragile by its very nature, and can degrade over time. Due to the fragility of

digital evidence, the Clerk is directed as follows:

- a. The Clerk shall receive and safely hold as evidence in custody for the court all evidence (including digital evidence) as directed by any judge of this circuit.
  - b. Such digital evidence may be contained in a physical form which can include, but is not limited to: CDs, CD-RWs, DVDs, Blu-Ray Discs, floppy discs, zip discs, magnetic tapes, jump/flash drives, hard drives (whether SSD, HDD or other kind), memory cards (i.e. SD, CompactFlash, Multimedia Cards, etc), or any other kind of digital storage device.
  - c. The Clerk's obligation in maintaining digital evidence shall be strictly limited to the preservation of the physical form or device which contains the digital evidence (i.e. the Clerk shall only be responsible for maintaining the physical CD, the physical floppy disc, the physical jump/flash drive etc). The Clerk shall not be required to ensure that the digital evidence on such physical form or device is maintained and/or preserved.
6. **RELEASING EVIDENCE:** The Clerk is directed to only release evidence, including to an opposing party, upon receipt of a court order. Firearms, ammunition, and/or any weapons as defined by F.S. § 790.001 (any dirk, knife, metallic knuckles, slungshot, billie, tear gas gun, chemical weapon or device, or other deadly weapon), shall not be released to any party without a court order and shall only be released in the presence of a Sheriff's Office deputy, or other sworn law enforcement officer.
7. **ACCESS TO CONFIDENTIAL EVIDENCE:** Pursuant to Florida Rule of General Practice and Judicial Administration 2.420(j), the Clerk is directed to allow access to confidential court records to persons authorized by law, or any person authorized by a court order.
- a. The Clerk is directed to follow the Florida Supreme Court's Access Security Matrix in determining which persons are authorized by law to access records without a court order.
  - b. Should a court order be required in order to view confidential court records, any order granting access to confidential court records must:
    - i. describe the confidential information with as much specificity as possible without revealing the confidential information, including specifying the precise location of the information within the court records;
    - ii. identify the persons who are permitted to view the confidential information in the court records;
    - iii. identify any person who is permitted to obtain copies of the confidential court records; and
    - iv. state the time limits imposed on such access, if any, and any other applicable terms or limitations to such access.
